REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance of claims 21-24 and 39-44: The prior art did not teach or suggest a peristaltic machine as claimed by the applicant, specifically a peristaltic machine comprising a primary roller to cyclically move in a forward direction and a rearward direction about an oval travel path, a secondary roller to cyclically move in the forward direction and the rearward direction about a linear travel path, and wherein the primary roller compresses the tubing section to the secondary roller during a first portion of the oval travel path and does not compress the tubing section during a second portion of the oval travel path, together in combination with the other claimed features of applicant's invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven J. Ganey whose telephone number is 571-272-4899. The examiner can normally be reached on 7:00-5:00; M, Tu, W and Th.
